SUMMER BARGAIN

THOROUGHLY ESTABLISHED DIVISIONS, RECENTLY REPOTTED IN 4-IN. AND 4½-IN. POTS

Every Orchid Hybrid in this group was divided and repotted after its first flowering. New Orchid pots and all new Osmunda were used, so these hybrid divisions should not require repotting again for two years.

Such grand hybrids as the following are represented:

LC WILMOSS (LC Helen Wilmer X C. Mossiae) Colored hybrid for Easter and Mother's Day.

C. MLLE. LOUISE PAUWELS (C. Edithae X C. Interexta) May-June White.

LC ETHEL MERMAN (Jane Dane X Canhamiana alba) Spring White-Col.-Lip.

C. HELEN LANGLEY ALBA X BLC ARMIDA—Summer blooming Cream to Yellow with vividly colored lips.

EACH PLANT WILL BE TAGGED WITH ITS CORRECT NAME, but there are too few of any individual hybrid for general listing of all names here.

$25.00 ASSORTMENT will bring you

One WHITE hybrid division; One White-Colored-Lip hybrid Division; Two Colored hybrid divisions: ALL 4, $25.00.

$50.00 ASSORTMENT will bring you

Three WHITE hybrid divisions; Two White-Colored-Lip hybrid divisions; Four Colored hybrid divisions.
PLUS one **bonus** hybrid division of yellow hybrid **C. HELEN LANGLEY X BLC ARMIDA** to the first **FIFTY** of these $50.00 orders. (Earliness of your order will be judged by postmark, not by arrival in Homestead.)

Okay, tardy customers for this $50.00 assortment will get an extra plant, too, but not the one named here, and not a Yellow.
